

Health and Safety Policy Statement

Policy statement

Lafford Homes Ltd firmly believes that the health, safety and wellbeing of all those who may be affected by its activities is of paramount importance.

Lafford Homes Ltd. will ensure that its activities are conducted in a manner which identifies and controls foreseeable risks in accordance with current legislation, recognised guidance and best practice.

In order to achieve excellence in health, safety and wellbeing Lafford Homes Ltd. has set itself the following key objectives;

- To provide sufficient resources necessary to establish, maintain and develop comprehensive health and safety practices, competencies, and safe places of work including safe equipment and safe methods of work.
- To ensure hazards are identified and the associated risks assessed, managed in a sensible way and reviewed as necessary, providing those affected with appropriate information, training, instruction or supervision.
- To comply with the requirements of current health and safety legislation and implement procedures to ensure a safe and healthy working environment with commitment to the prevention of injury and ill health.
- To maintain appropriate health and safety management systems and arrangements and to annually review the effectiveness of these arrangements striving for continuous improvement.

Lafford Homes Ltd. and its Directors give full backing to this policy and support all those who take action to implement it.

Review and update

This policy is the responsibility of the Board and will be reviewed annually and updated as appropriate.
